

### Catfish

The flavor is mild with just the right touch of sweetness

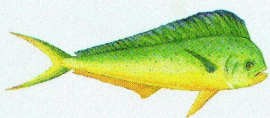

### Grouper

Found in the coral reefs of the Gulf of Mexico & the Atlantic, the meat is flaky with a distinctive flavor

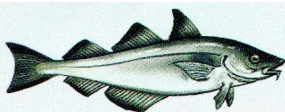

### Rainbow Trout

The Fly Fisherman's favorite! Light pink in color, the tender meat is mild with a scrumptious flavor

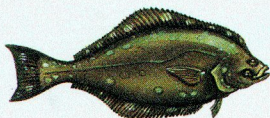

### Mahi-Mahi

The meat is pure white with large, moist flakes offering a very distinctive, somewhat sweet flavor

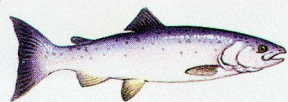

### Haddock

From icy cold waters, the meat is white, tender & mild to the taste

### Halibut

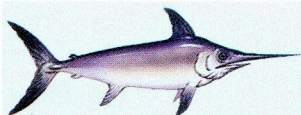

From the Bering Sea, the Gulf of Alaska & the North Atlantic. The taste is delicate with a hint of sweetness

### Salmon

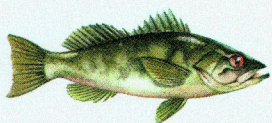

Whether it's Atlantic or King Salmon (check with your server), the meat is moist with a remarkable rich flavor

*We recommend Hickory Planked Salmon™!*

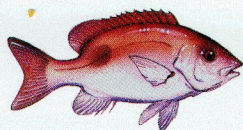

### Swordfish

The meat is firm & dense with a delicate flavor

### Sea Bass

Coming from coastal waters, the firm and flaky white meat has a delicate-to-mild flavor

### Gulf Snapper

Caught in the Gulf of Mexico, its taste is delicate, subtly sweet & exceptionally moist
